

Film Benefit for Community Sustaining Fund:

The Real Dirt on Farmer John

Please join us for a night of fun, laughter, surprise
and merriment in support of our beloved
Community Sustaining Fund.
Come get some yummy food, bring a friend and
support your community.

What the critics are saying:

A beguiling combination of agrarian ode and *The Electric Kool-Aid Acid Test*, deepened by Peterson's square sincerity as he struggles to find himself in relation to his family's land. - *The Chicago Reader*

Regardless of what you think the movie is about, it has a fascinating subject: John Peterson, farmer, performance artist, author and, at times, a flamboyant thorn in his neighbors' side. - *Minneapolis Star Tribune*

When: Friday September 23rd

Where: Traditions Cafe

Time: 7:00 pm

Why: The Community Sustaining Fund (CSF) has been providing monies to local groups, non-profits and individuals for 25 years. The CSF provides grant support for progressive, community-oriented projects in Thurston County. Our funding is aimed at creating and sustaining a democratic, just, nonviolent and ecologically sound society.
